Dear Patient

Thank you for choosing Eden Court as your GP Practice. You are welcome to register as part of the 'GP Choice Scheme' allowing patients to register at a General Practice of their choice even if they live outside of the usual GP boundary area.

Being part of this scheme does not change the services you can expect to receive from Eden Court. However, because you live outside of our boundary we cannot provide home visits for you. If, in an emergency, you feel that a GP is needed during our usual opening hours, you have to call 111 and let them know you are part of the GP Choice Scheme so that an appropriate review can be arranged.

If you receive more than 1 home visit or you are likely to need ongoing home visits, we would ask that you register with a more local practice and we would need to remove you from our list. This is to ensure you receive safe care in a timely fashion.

Kind regards.

Yours sincerely
